Quality, Health, Safety and Environmental (QHSE) Policy

MENASCO Will continually strives to ensure that our Electro Mechanical services performance and the quality of work is at the highest standards in the construction industry. To achieve this goal, we have implemented an integrated management system (ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 which formalizes the processes and procedures which ensure our services are delivered to the highest possible standards of Quality, Health, Safety and Environment management System.

MENASCO is committed to protecting their employees' health. To minimize its OHS and Environmental risks concerning our activities, products and services, we shall: -

- As appropriate to the purpose and context of the organization, including the nature, scale and OHS and Environmental risks of its activities, products and services
- Comply with applicable legal requirements and other requirements to which the Company subscribes which relate to its OHS and Environmental Risks.
- To include the consideration of OHS and Environmental issues in all business strategies and initiatives.
- Protect and reduce the risk of injury and ill health.
- Protect the Environment and Reduce Environmental Risk.
- Educate, train and motivate employees to carry out tasks in a QHSE responsible manner and ensure that a continual professional development strategy remains core to our business goals.
- Encourage QHSE stewardship among suppliers and subcontractors.
- We will strive to achieve the highest quality of our products with the involvement of our competent and skilled employees to ensure full customer satisfaction.
- This policy is used as a frame work for setting and reviewing QHSE Objectives.

MENASCO is committed to continual improvement of his QHSE performance. This Policy will be communicated to all staff, contractors and suppliers, and will be available for the public in a manner chosen by MMC.

General Manager: Helmi Badawiyeh
